Sample Chips are available

Satin Nickel    Oil Rubbed Copper

We are excited to introduce hollow iron balusters to our Ornamental Iron Collection. These balusters yield the same style and elegance as our solid line, while they install easier and weigh significantly less.

The following Hollow Iron Balusters are available in Oil Rubbed Copper (ORC) or Primed Matte Black (PR) finishes:

### 44" Hollow Balusters:

LIH-5300S    Single Basket-Smooth Surface  
LIH-5305S    Double Basket-Smooth Surface  
LIH-5311S    1/2" x 1/2" Straight -Smooth Surface  
LIH-5150S    "S" Scroll-Smooth Surface  
LIH-5310S    Single Twist-Smooth Surface  
LIH-5315S    Double Twist-Smooth Surface

LI-3108

A screw-down base has been added to our offering of iron bases.

This new base simplifies attaching our iron balusters to treads and landing tread, and is available in all of our iron finishes, including the new Oil Rubbed Copper and Satin Nickel.
